

August 11th, 2020

Dear homeowners, friends & everyone,

A quick update on the latest news regarding Covid-19 here in our area, including El Cardonal, Los Barriles and Buena Vista (other areas probably, too).

There are now confirmed cases of Covid-19 here in the East Cape. The BBVA bank branch in Los Barriles has been closed since August 6th because several employees tested positive for the virus and there are no additional staff available to keep it operating for now. The bank could potentially be closed 1-2 weeks. You will still be able to use the ATM's, however larger withdrawals will need to be made in branches in La Paz or Los Cabos. The Intercam bank is still open. Those infected at BBVA are quarantining at home and taking extra precautions.

The good news is that most of those infected have exhibited VERY MILD symptoms being in line with the overall world data that indicates 85% of all confirmed cases fall in this category. Then there are the 10% who present stronger symptoms (but will just need to recover at home) and the 5% who will have critical conditions. 100% of these 5% of cases will need medical attention (none of those in our area so far; and of the 5%, ALL are confirmed to have trouble due to preexisting medical conditions).

I want to encourage you to continue taking your own precautions (wearing a mask, frequent hand washing) while out in public. If possible, limit or consolidate trips to minimize your exposure.

Take a look at the latest video from the governor. Click on Settings (the "gear" icon, and select "Auto Translate" and "English")
